

SLIPS, TRIPS AND FALLS FACT SHEET

This Fact Sheet gives you information and requirements for an Slips, Trips and Falls claim and how it can be dealt.

Slips, Trips and Falls

Genesis Accident Claims can also help you with slips, trips and fall claims. Our dedicated staff are waiting for your call.

Accidents can happen anywhere and the most common are slips, trips and falls for example :-

- On an icy pavement
- Due to a slippery shop floor
- Because safety fencing wasn't in place
- The area was poorly lit
- There was a hidden object causing you to fall

These are just a few of the possible reasons for your accident. At GAC our personal injury team have extensive experience of dealing with this type of claim and can guide and assist you in obtaining the correct compensation which could include :-

- Damages for the injury
- Lost wages
- Out of pocket expenses
- Physio and rehabilitation
- Cost of medical treatment

If you can take photographs of the area, make a sketch plan and take name and addresses of any witnesses to help your claim. Use the form to get in touch with our office and we will let you know if we can help.
